

What is GAL?

Gamma Alpha Lambda (GAL) is a national Christian sisterhood. It was founded on September 16, 2003 right here at Missouri State University. Since MSU is where GAL originated, this is the Alpha chapter. There are three additional chapters located at other universities in Missouri. The purpose of GAL is to encourage spiritual growth among its members while fostering deep friendships among college-aged, Christian women. We have four pillars: faith, sisterhood, service, and evangelism. These foundational concepts are the basis for all we do.

A Season for Sigma

The incoming class for Spring 2012 is designated as the Sigma class, according to the Greek alphabet. This semester's theme is "A Season for Sigma." The theme verse is:

The Lord has made everything beautiful in its time. He has also set eternity in the human heart, yet no one can fathom what God has done from beginning to end. (*NIV Women's Devotional Bible*, Ecclesiastes 3.11)
